### Greater Rutland County Supervisory Union (GRCSU) Board Update

All member districts of the GRCSU have finalized their budgets for FY19! Annual Reports for Quarry Valley and Wells Springs as well as Ira and Rutland Town are at the printer and will be available in 1-2 weeks. Warnings have been posted and will be published in the newspaper in the near future.

A brochure is being prepared for each district which will be sent to town residents in each district. In addition, the reports and budgets will be posted on school websites. Our administrators are planning to present information on each budget through a PEG-TV presentation which will be taped next week and will be linked to each website.

We are working together to complete our comprehensive [transition plan](#) for the successful merger of our supervisory unions to the Greater Rutland County Supervisory Union and newly merged school districts (Quarry Valley and Wells Springs UUSDs). Now that budgets have been finalized, we are working on policy adoption, negotiations and strategic planning.
